

**Now** Let's talk about  
How to find your 2  
people to Join??

**That's the Easy part.**  
**2 People will FIND YOU**

You can post ads on internet sites like

Craigslist, Facebook friends, share with friends and family from your phone contact list, post flyers: the possibilities are endless. And actually, these 2 people will find you, just like how you found your inviter.

**According to Google,** there are over 5 Billion people who use social media, so enrolling 2 people should be a breeze.

**And Over a Million people search job posts looking for a side gig or extra money.**

Post Flyers on community bulletin boards, truck stops, library, college campus.

## How many people look at Craigslist?

It started expanding to other U.S. and Canadian cities in 2000. In 2023 Craigslist listed seven hundred cities in 70 countries on its website and generated **560 million visits per month**.

Despite such global presence, 90% of the website visitors are from the USA.

## Friends in your Personal Facebook page

In your neighborhood, church, sporting events....

Make a short TikTok video

Create a YouTube channel

# Hand out \$20 Drop Cards

You'll share your inviter code only to those who request it, so you're not soliciting anyone. You cannot publicly distribute your inviter code or the Join Link passcode. You are required to personally speak with each person and qualify them to make sure they are a good fit for the community. If you advertise your codes or the Join Link

passcode in any way, you'll be removed from the community. This is a private peer-to-peer support community so each person must be invited from a current, active participant.

## Imagine inviting your 2 friends

- Family vacations
- Sporting events
- Charity events

People are EVERYWHERE,  
remember you're only enrolling 2  
people.

Once you get your 2 people  
established, its all on Auto-pilot.  
No need to continue inviting  
people. You'll see what we mean  
when your bank account  
FLOODS.

And with Circle 6.....

**It doesn't matter if the economy is good or bad with Circle 6....**

**Because with Circle 6, anyone who wants to create more time with family, more time freedom, experience financial freedom and creating friendships can join....**

**Its only \$20 bucks to join.**

**Its not like \$20 bucks will break**

the bank, right?

Everyone in your receiving line will send you a weekly gift as a way of saying :

Circle 6 is not about recruiting...it's about sharing.

The GOAL is to invite 2 people in your first week....

**Then watch your Circle 6  
structure expand and grow**

**This is NOT multi level marketing  
or anything like you've EVER  
seen before.**

**This is a totally automated,  
unique, revolutionary, one-of-a-  
kind peer-to-peer program of like-  
minded people just sharing and  
helping 2 while being rewarded  
with many.**

**The Software tracks  
EVERYTHING for you!!**

**You'll have your own password  
protected Dashboard available  
24/7**

**Won't interfere with any other obligations. Do this in your spare time.**

**You can start receiving money  
IMMEDIATELY THIS WEEK.**

Your inviter will help guide you  
**EVERY** step of the way!!

Make sure your accounts are  
VERIFIED to receive UNLIMITED  
amounts of money 💰💰💰💰💰

**zelle®**

When you send your inviter your \$20 gift, make sure you send Friends to Friends and write in the notes section: GIFT

**DO NOT** write: For Circle 6, payment, paid, or any business terms.

**You're gonna Absolutely LOVE this!!!**
