

Welcome To

Matt

Creator & Founder

*This is what we call
The Ultimate Money Leveraging
Program on the internet today!!*

In this video, I will explain these
3 things:

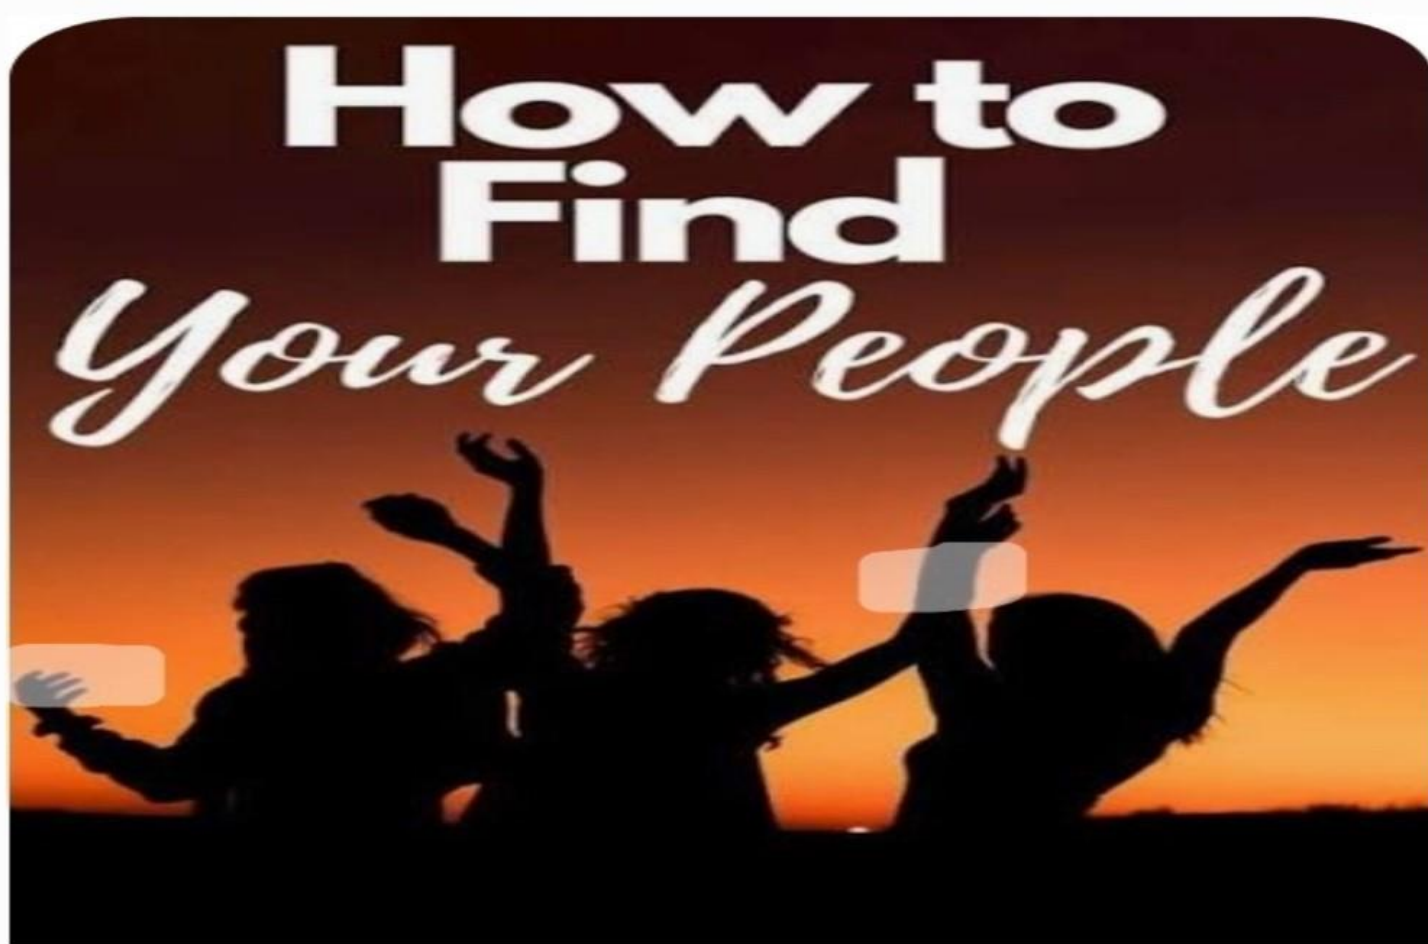

#1. Why I created this?

A word cloud with the word "community" as the central, largest term. Other words of varying sizes are arranged around it, including: build, safety, togetherness, responsibility, give, learn, trust, support, goals, connected, creating, needs, open, positive, shared, giving, dedicated, listening, membership, helpful, inclusion, acceptance, belonging, and satisfaction.

#2.

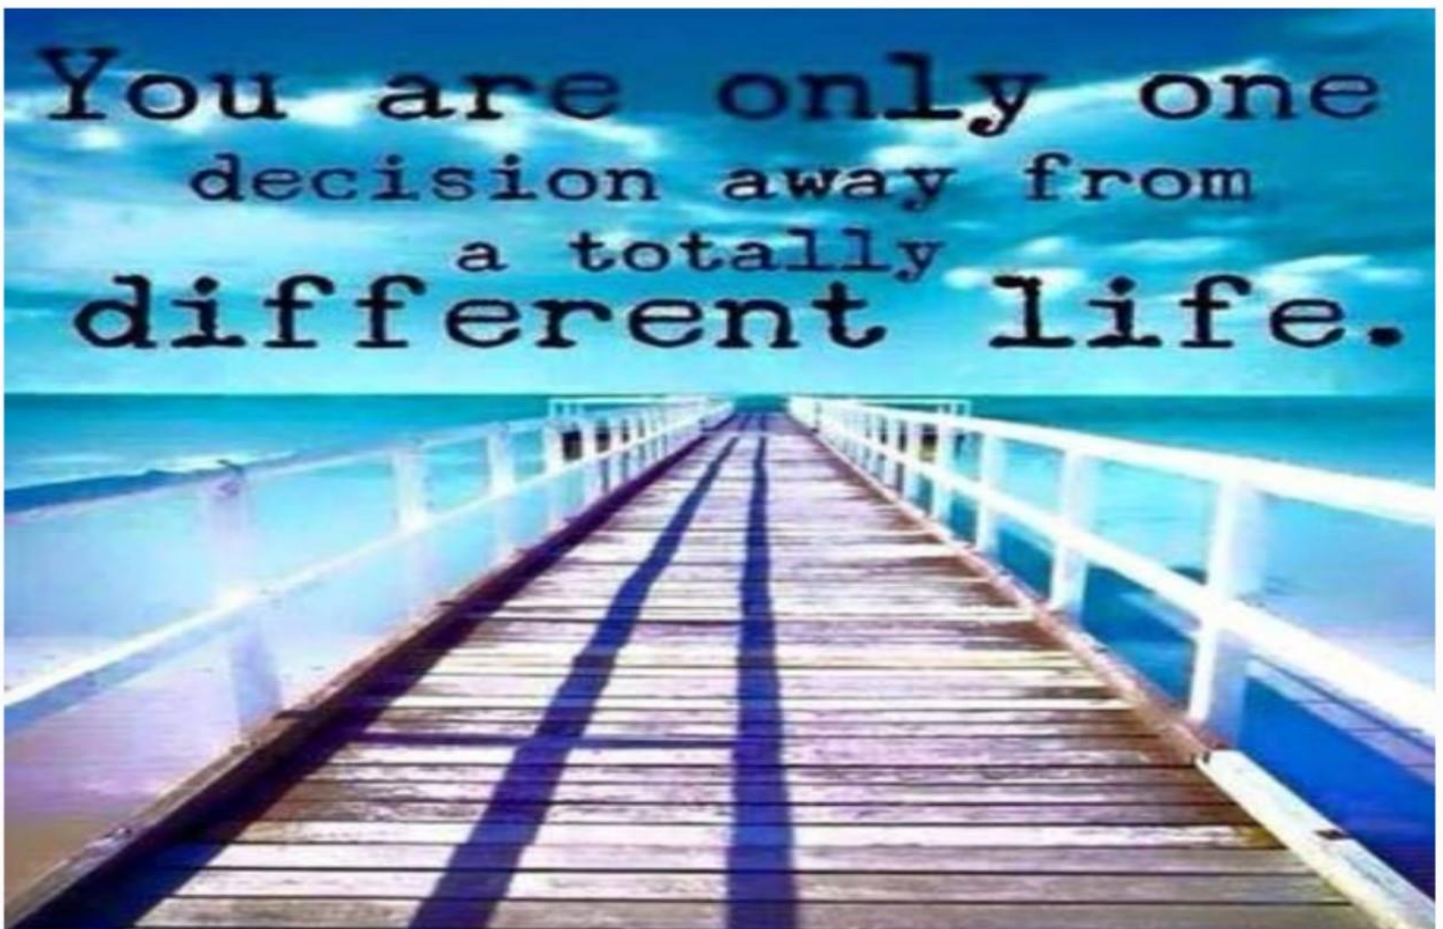

How to find your 2 people to join?

#3. How it Works??

So that you can Make a very
Smart & Wise
Decision to join

Let me start by explaining
WHY I created this Amazing
program...

What is Circle 6?

Revolutionary, one-of-a-kind, totally unique, private, peer-to-peer gifting platform of people coming together to help one another achieve financial freedom.

Circle 6 promotes friendship, freedom, family & fun.

A PROGRAM that REALLY WORKS for EVERYONE.....

- ✓ No selling
- ✓ No convincing
- ✓ No chasing people
- ✓ No pressuring
- ✓ No explaining

**Just share
and connect**

**NO SELLING, RECRUITING,
TRADING, PRESENTING,
EXPLAINING.**

Your Inviter will help guide
you EVERY step of the way!!!

If you're like most people,
you've asked yourself...

WHAT'S the purpose of
this life???

WHAT WOULD
YOU DO
IF YOU KNEW
YOU
COULD NOT
FAIL?

2 fundamental reasons:

1 Reason:

To Love and share God with others

Which is the MOST important reason

#2 Reason:

To help others along the way

I BELIEVE

We're all from the SAME SOUL like 2 bottles of water poured into the same glass...

When we help people, we're helping them
and that feels good as we help ourselves.

**GREATEST JOY IS FINDING OPPORTUNITIES
TO HELP PEOPLE .**

- ✓ Whether it's creating this program for you and your benefit.
- ✓ Supporting local events in my community.
- ✓ Volunteering at different charities like:

I've come to realize....

The Secret to a Successful life is

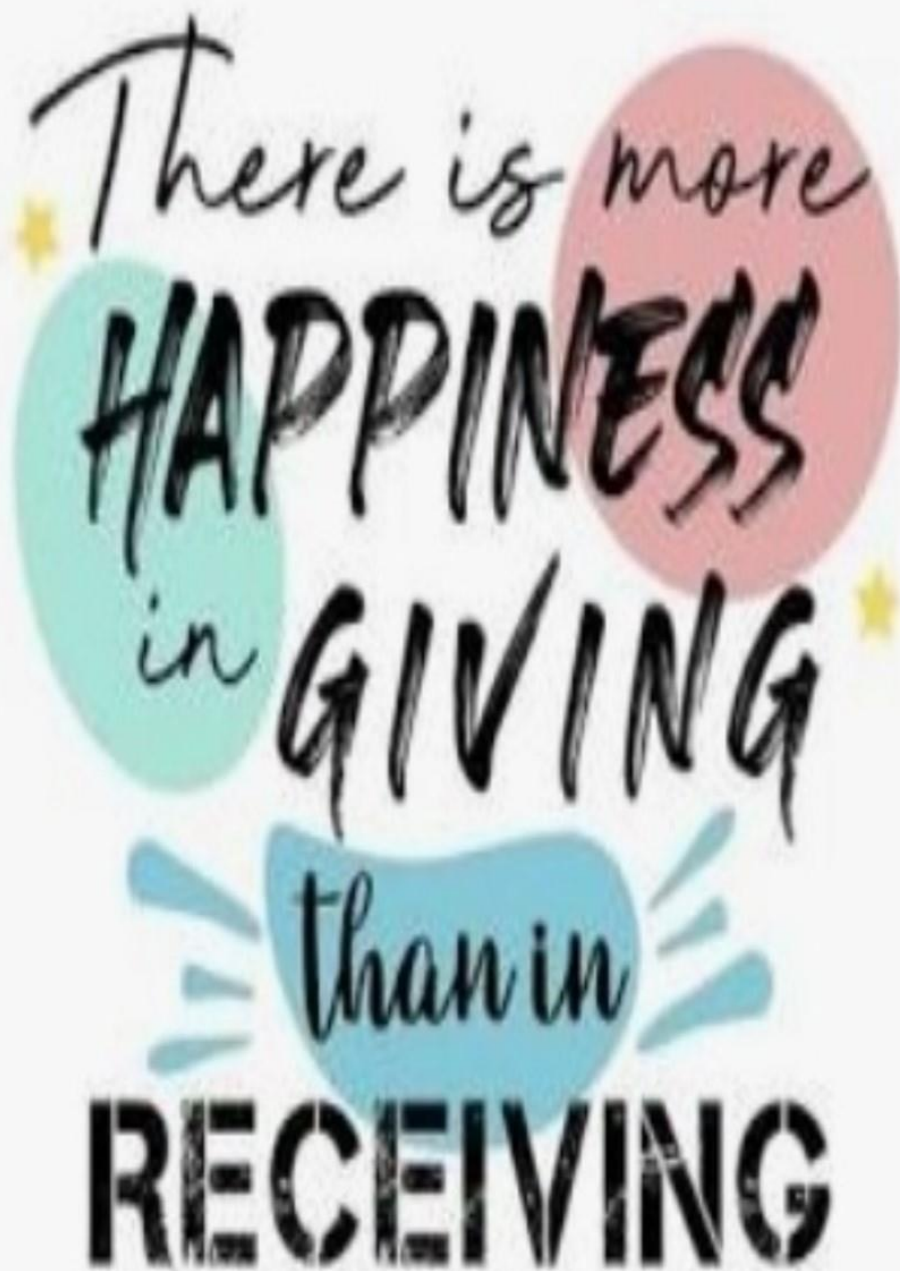

Not how much money you have or
the things you bought...

How many people you've HELPED
along the way

When you Give, give Unconditionally without expecting anything in return; whether it's your time, talent or your money.

There is more
HAPPINESS
in **GIVING**
than in
RECEIVING

The text is presented in a mix of handwritten and bold, blocky fonts. The words 'HAPPINESS', 'GIVING', and 'RECEIVING' are in large, bold, black capital letters. The words 'There is more', 'in', 'than in', and 'RECEIVING' are in a black, handwritten-style script. The background features a light gray gradient with several colorful, hand-drawn style shapes: a large teal circle behind 'HAPPINESS', a large pink circle behind 'GIVING', and a blue shape with radiating lines behind 'than in'. Small yellow stars are scattered around the text.

Your life will be blessed beyond your wildest dreams.

Its called the Law of Reciprocity.

Its better to give than to receive.

I DECLARE
THAT YOU ARE
ABOUT TO BE
BLESSED
BEYOND YOUR
WILDEST
DREAMS!

Just Focus on just **HELPING PEOPLE** and everything works out perfectly in the end.

If you genuinely love helping people....
then That's why I created this Amazing
program built for like-minded people just
like YOU.
